The Honorable Birch Bayh
Chairman, Select Committee
on Intelligence
United States Senate
Washington, D.C. 20510

Dear Senator Bayh:

Our initial response to your questions concerning Soviet ground forces in Cuba is enclosed for your use. We are working on the remaining questions and will provide answers by the end of the week.

Because of classification, the list of US technical intelligence resources targetted against Cuba is provided in a separate memorandum.

Bruce Clarke has discussed the questions with Hal Ford and we are proceeding as Hal suggested.

Yours sincerely,

/s/ Stansfield Turner
